CAREER OBJECTIVE

Organized and passionate Information Technology graduate seeking a Technical Support position. Equipped with certifications in Networking, Network Security, Cybersecurity, HTML & CSS, and Databases, I aim to apply my skills and experiences to contribute to the success of your IT services team while gaining hands-on experience in a professional setting.

WORK EXPERIENCE

VXI Global Solutions
Customer Service Representative
MAY 2023 - AUG. 2023

- Delivered exceptional customer service for the COMCAST account, specializing in troubleshooting and technical support.

CCE - College Student Government
Graphic Designer
AUG. 2022 - MAY 2023

- Designed graphics for social media campaigns and crafted an official Facebook frame for the college/department.

PROJECT

Craftify
Capstone Project
SEPT. 2023

- A web-based platform designed to connect local artists with clients, enabling commission-based art projects. The system features user profiles, job postings, application tracking, and project management tools to support collaboration between artists and clients.
