CAREER OBJECTIVE

A motivated and detail-oriented Information Technology graduate seeking an entry-level position in the IT field. Equipped with foundational knowledge and certifications in networking, cybersecurity, web development, and databases, I aim to apply my technical skills in a dynamic environment while continuously learning and contributing to organizational success.

EDUCATION

2021 - 2026
UNIVERSITY OF MINDANAO-MAIN

- Bachelor of Science in Information Technology

2017 - 2019
NDC - TAGUM FOUNDATION INC.

- Science, Technology, Engineering, and Mathematics (STEM)

SOFT SKILLS

- Teachable and can easily adapt
- Able to work independently or as part of a team
- Organized and efficient
- Leadership Skills
- Good Communication skills
- Passionate about doing a good job

HARD SKILLS

- React JS, TypeScript, JavaScript
- Supabase, MySQL
- HTML & CSS, Tailwind CSS
- Responsive UI Design, Web Dev

LANGUAGES

- English: Intermediate
- Tagalog: Fluent

WORK EXPERIENCE

VXI Global Solutions MAY 2023 - AUG. 2023
Customer Service Representative

- Delivered exceptional customer service for the COMCAST account, specializing in troubleshooting and technical support.

CCE - College Student Government AUG. 2022 - MAY 2023
Graphic Designer

- Designed graphics for social media campaigns and crafted an official Facebook frame for the college/department.

Globe Telecom OCT. 2025 - JAN. 2026
Web Developer

- Developed and enhanced a large-scale web application by rebuilding its frontend and backend architecture using React.js (Typescript) and Node.js, integrating an interactive topology editor with React Flow to support dynamic network visualization, simulations, and improved UI/UX for operational use.
- Enhance a web-based submarine cable mapping application by improving UI/UX, interactive map behavior, and simulation features for managing international cable segments.
- Gained hands-on exposure in a data center environment by assisting with the use of Optical Time Domain Reflectometer (OTDR) for cable testing and fault analysis

PROJECT

Craftify SEPT. 2023
Capstone Project

- A web platform that connects local artists with clients for commission-based projects, offering profiles, job postings, application tracking, and collaboration tools.

CERTIFICATION

INFORMATION TECHNOLOGY SPECIALIST Network Security	JULY 2024
INFORMATION TECHNOLOGY SPECIALIST Cybersecurity	OCT 2024
INFORMATION TECHNOLOGY SPECIALIST Networking	OCT 2023
INFORMATION TECHNOLOGY SPECIALIST HTML AND CSS	MAY 2023
INFORMATION TECHNOLOGY SPECIALIST Database	MAY 2023
